Beginning January 1, 2014, you will receive **collection allowance** on your sales and use tax return if you file and pay on a timely basis by electronic means and you have no other tax liability to the Department. If you file or pay by paper, you will not receive this allowance.

Payments

Amounts due may be paid electronically by ACH Debit or ACH Credit. If you are unable to make an electronic payment, you may send payment by paper check.

Select the Payment Method you will be using

- ☐ ACH Debit 
- ☐ ACH Credit 
- ☐ No Payment at this time. (Interest will apply to late payments.) Please [click here](#) to print a Payment Coupon to send with your payment if mailing your payment to the Department.

ACH Debit Payments

Under this method, you authorize the Department of Revenue to transfer the tax payment from your bank account to the Department's bank on the payment date you select.

Payment Dates:

- Current return is due the 2nd to last working day of the month. The payment date will display as the 2nd to last working day of the month.
- All other payments: the payment date will display the next date payments will be transferred, which will be the next Friday or the 2nd to last working day of the month.

You may change the payment date. You may only select dates available in the payment date drop down box. Remember, you will be assessed interest for each month the payment is late.

ACH Debit Payment information must be submitted in EPath two days prior to the date scheduled. For example, a payment scheduled for May 30 must be entered by May 28.

Some banks block ACH Debit transactions, please contact your bank to authorize the Department's ACH Debit transaction. The **Department of Revenue's bank originator number is 9466000364.**

You will receive a confirmation number when the payment is successfully submitted. Print the confirmation page for your records.

You may Create New Bank Account (which is saved for future use), use a One Time Bank Account (information is not saved), or select a Bank Account previously saved.

Payments with Returns – an ACH Debit Payment may be submitted with a return.

1. Under **Existing Account** select the account you want the Department to withdraw payment from.
2. The **Payment Date** for a current return is set for the 2nd to last business day of the month. The payment date for a return filed late is set for the next Friday, or you may select a date from the drop down box.
3. The **Amount** shows the amount due from the return being filed. If you have a prior balance due, add that to the amount and enter the total due. If you have a prior credit, subtract that from the Amount and enter the difference. If the credit is greater than the amount due, do not make a payment at this time.

Payment Only – An ACH Debit payment may be made at any time. This may be used to pay a current return, late return, or additional amount due.

1. Select the **License** payment is to apply to.
2. **Bank Account:** select or create the account payment the Department will transfer funds from.
3. **Payment Date:** is set for the next Friday, or you may select a date from the dropdown box.
4. **Amount:** Enter the payment amount.
5. **Type, Routing # and Bank Account #:** Enter the bank information if you are creating a new account or using an account for a one-time payment.
6. **Select Create** – this creates the payment and will save account information if you create an account or change details in an existing account. Account information for a One Time Bank Account transaction will not be saved.

To **Create a Bank Account without making a payment** Select Change Profile and Payment Accounts.

You may enter and save your bank account information for future use.

You may add, edit, or delete Bank Accounts under Change Profile, Payment Accounts.

You cannot edit or delete a payment within 2 days of the payment date. Please allow 2-3 days for the payment to be applied to your account.

If you delete a payment you will be asked if you are sure you want to delete the payment. You can see deleted payments under View Deleted Electronic Payments.

Payments

ACH Credit Payment

Under this method, you initiate payment through your bank to the Department of Revenue's bank account. You may make an ACH Credit payment at any time; however, you must notify your bank to make the necessary arrangements for the payment transfer for each filing period in time to ensure the Department receives the payment on or before the due date. For current returns, the payment due date is the second-to-last working day of the month. Interest is assessed if the payment is received late.

You are responsible for any costs associated with an ACH Credit Payment.

Transfers must be made in the NACHA CCD+ format using the TXP Convention. The bank must include your license number in the TXP information. If it is not included the Department will not know which account to apply the payment to.

Please provide a copy of the [ACH Credit Bank Information](#) to your bank.

Payment by Check

If you cannot make an electronic payment, you may send payment by check. Print the payment coupon that is available when you select the payment method or on the confirmation page. Send the payment coupon with your payment. Payment by check may be made at any time, however if payment is not received by the due date interest will apply. The due date for monthly filers that pay by check is the 20th of the month. The postmark date is considered the date payment is made.
